7. [REDACTED] Met with Chairman Lucien Nedzi, Intelligence Subcommittee, House Armed Services Committee, in response to his earlier question concerning Agency support of activities outlined in a Justice Department memorandum dated 10 May 1972. I told Nedzi that we have no record in the Agency to indicate that the Department of Justice Information Center outlined in the memorandum was ever established. I outlined for him Agency support provided the Secret Service during the same period of 25X1A time. In addition, I gave him a brief rundown on news reports, Executive Protective Service Incident Report, and [REDACTED] concerning an alleged break-in at the Chancery of Chile in May of 1972.
